KLARK[i] is not a KORPORANT[ii]). SMIT[iii] discussed this subject with him [DX cautiously][a], not being a close acquaintance [of his][b]. KLARK has avoided meeting MAK'S[iv]. The one remaining chance is for MAK'S to try once more to see KLARK.

(b) SMIT could not establish who gave the lecture to the General Staff on war with the USSR.

(c) Your instructions on the recruitment of DONAL'D[v] were given to NIK[vi] in good time. The latter has not yet succeeded in arranging his meeting with him.

(d) RUDI[vii] has not so far come to a meeting, on the grounds that [1 group unrecovered] increased shadowing. It is evidently for the same reason that DZhEK[viii] will not agree to a meeting with me either.

(e) Control[SVYAZ'][c] of NIK has been transferred from METEOR[ix] to DAJTON[x] and control of MAKS has been transferred to MASTER[xi].

(f) The balance of cash on 1st September 1943 (taking into account the balance of the purchasing fund[FOND ZAKUPOK] and after repayment of 1,247 American dollars to fund No. 2) is 10,640 American dollars.

3. Your additional task has been given to RINDOL'F[xii]. It will be given also to ISTOChNIK No. 13[xiii]. The latter, after being asked repeatedly[d] through FIL[xiv] to inform us personally on military-political questions, has given his first piece of information. (It is about the talk with the[e] British major.) We are using this to make him increase his activity[DLYA AKTIVIZATII].

4. MATVEJ[xv] has applied for a loan of 1,200 American dollars: he requires this because of personal financial difficulties. NIK supports the request but

[30 groups unrecoverable]

MOK[xvi] should already be approaching VLADIVOSTOK. Make sure that instructions are given about landing and about the provision of papers, a ticket and money for the journey.

No. [C% 233]

I have received [1 group unrecovered] pads[BLOKNOTY]: there are 105 of them.
